Job Title: Motorcycle Detailer & Restorer

Department: Workshop / Valeting

Location: SuperBike Factory, Macclesfield

Reports To: Workshop Supervisor

Level: Entry/Mid

Employment Type: Full-time

Job Purpose:

The Motorcycle Detailer & Restorer is responsible for bringing used motorcycles back to showroom-ready condition through deep cleaning, cosmetic restoration, and minor paintwork. This hands-on role is ideal for someone with a meticulous eye for detail and a passion for motorcycles. Whether cleaning chrome, treating rust, or perfecting final presentation, the Detailer & Restorer plays a key role in the customer's first impression of our bikes.

Key Responsibilities:

Detailing & Polishing – Carry out deep cleaning, buffing, and chrome polishing to restore the bike's aesthetic appeal.

Cosmetic Restoration – Address cosmetic issues such as rust treatment, surface imperfections, and minor paint touch-ups.

Paintwork (Optional) – Where qualified, complete paint matching and spray finishes. Training will be provided for those keen to learn.

Final Presentation – Ensure each motorcycle is finished to the highest visual standard before showroom placement.

Collaboration – Liaise with Workshop, Inspection, and Sales teams to align bike readiness with operational schedules.

Quality Standards – Represent the Superbike Factory brand by delivering a consistent, high-quality finish on every motorcycle.

Required Skills and Qualifications:

Essential Experience:

- Previous experience in vehicle detailing, valeting, cosmetic repair, or bodywork
- Strong attention to detail and pride in visual presentation
- Ability to perform manual, physical tasks as part of a daily routine

SUPERBIKE **FACTORY**

ALWAYS READY TO RIDE

Superbike Factory Ltd
Snape Road | Macclesfield | Cheshire | SK10 2NZ
Tel: 01625 353012 / Fax: 01625 353002

Desirable Experience:

- Experience with motorcycles specifically
 - Basic knowledge of paintwork, including colour matching and spray finishes
 - Previous work in automotive or motorbike bodyshops
-

Key Attributes:

- Eye for detail with a strong sense of visual quality
 - Hard-working, proactive, and hands-on mindset
 - Willingness to learn new skills, including paint and restoration techniques
 - Strong work ethic and ability to work independently or as part of a team
-

Performance Standards:

- Consistently achieve high presentation standards across all detailed motorcycles
 - Meet daily volume targets for completed bikes
 - Maintain a clean and organised working area
 - Respond to feedback from internal teams to support ongoing improvements
-

Working Conditions:

- Workshop-based, hands-on role involving regular physical labour
 - Exposure to cleaning chemicals, polishes, and paint products
 - Must be comfortable working around motorcycles and workshop equipment
-

Job Context and Environment:

Work Environment:

Valeting and restoration space within a busy workshop and production setting

Challenges:

Balancing quality restoration work with speed of delivery, particularly during peak volumes
